

Welcome to Cub Scouts

Pack 102

Olmsted Falls, OH

Parents' Guide

Thank you for joining our Scouting family!

Cub Scout Pack 102 is a **Family Cub Scout Pack** chartered by the **Olmsted Falls Kiwanis**. We accept **Boys** and **Girls** in Kindergarten through Grade 5 into our program. As a Boys & Girls Cub Scout Pack we are committed to your success as a parent and volunteer while serving the young people of our community.

Scouting's programs and outdoor adventures give your Scout the opportunity and freedom to explore a world beyond the boundaries of everyday life. It presents them with chances to try new things, provide service to others, build self-confidence and develop leadership skills. These experiences not only help scouts while they are young but also stay with them throughout their adult lives, growing into exceptional adults that respect their family, community, religion, country and themselves.

With schedules growing busier every day, Scouting makes the most of what little time parents have to positively impact their child's lives. To help you be successful as a parent/volunteer we want to highlight a few resources available to you in this guide.

In closing, we believe that Scouting will benefit your child on numerous levels: through the development of character, enhanced life skills, and leadership skills, all while having FUN! Children in our Cub Scout program are of an age where parents are the most influential on their growth and development. In time, outside influences begin to take precedent. How our young people are shaped and molded is taking place right now! We encourage you to take an active role in your Scout's experience. We assure you; you will not regret a second of it.

How Cub Scouting Works

Cub Scouts is a year-round program uniquely designed to meet the needs of the family.

The program offers fun and challenging activities that promote character development and physical fitness.

Family involvement is an essential part of the program, and parents are encouraged to play an active role in making the most of the short time they have to impact the lives of their children.

Cub Scouts have the time of their lives making new friends and learning new things in an environment designed to help them succeed. From building a Pinewood Derby® car to learning how to roast the perfect marshmallow at a family camp out, your child will LOVE being a Cub Scout.

So if your child is in the kindergarten through fifth grades, or 5 to 10 years old, then it's time to have some fun with the Cub Scouts!

Your Child is a Member of a **Den**...

- A den is made up of youth who are the same age and/or grade.
- The den meets at least once a month. The time and location is set by the den leader.
- The den has a den leader, but the den leader shares the planning of the den meeting with the parents.

Your Child is a Member of a **Pack**...

- A pack consists of several dens and meets once a month. Pack 102 meets on the 3rd Monday of the month from 7-8 pm in the Falls Lenox cafeteria.
- The Cubmaster leads the monthly pack meeting, but each den will have a part in the pack meeting.
- Some months, the pack meeting will have special themes such as Pinewood Derby, Blue & Gold banquet, or guest speakers. Other months may be devoted to recognizing the Scouts for the projects they have completed by the presentation of beads, belt loops, activity pins or rank advancements.

How Cub Scouting Works

Lion and Tiger Scout

Parents are most involved at the lion and tiger den level. The youth and their parent or guardian attend all meetings and activities together.

Each den has a den leader (one of the parents) who helps coordinate the meetings. Each parent is encouraged to help lead at least one meeting for the den.

Wolf and Bear Cub Scout

Parents are vital to the Cub Scout dens, both in the role of home support and to help the den leader. The den consists of youth, a den leader and assistant den leader (usually parents).

Webelos and Arrow of Light Scout

The Webelos den is similar to the Wolf and Bear Cub Scout dens. However, more emphasis is placed on the youth learning to take leadership roles and preparing to become Scouts. A Den Chief (an older Scout or Venturer) will work with the scouts to assist with the transition to the next level of scouting.

Leader Resources

Scouts use a handbook to work their way along the trail, completing advancements and adventures. The Cub Scout Leader Guide and the Den Leader Guides provide leaders with detailed information and themed monthly resources for den and pack meetings.

The Advancement Trail

In **Scouting**, advancement is the process by which a member meets certain requirements and earns recognition. The Cub Scout advancement program is a blend of activities Scouts do in their homes and activities they do in a den meeting setting.

As requirements are completed, Scouts are awarded recognition items to mark their progress. Completed requirements can be recorded in Scoutbook by parents or Den Leaders.

After receiving the Bobcat badge, a scout works on the requirements based on their grade level.

First graders, and anyone beyond that grade who is new to Cub Scouting, completes the Bobcat Badge prior to working on their grade-specific badge of rank. Kindergartners, who are Lions, do not work on the Bobcat Badge.

On the advancement trail, a Cub Scout progresses towards a badge of rank based on their grade. They need not have earned the previous rank in order to earn the next. Each of the ranks in Cub Scouting has its own requirements that are age appropriate, so earning a rank below a Cub Scout's current grade is not permitted.

As a Cub Scout advances through the ranks, the requirements get more challenging, to match the new skills and abilities they have learned.

Unit Funding

Fundraising

Our pack raises money for the supplies, awards and other needs of the pack. The success of our fundraisers is dependent on everyone's support and participation. We host a community Santa's Secret Shop for the community in December. Popcorn is sold in the fall and maple syrup is sold in the spring. Fundraising pays for pack materials, pack outings, and awards. There are opportunities to earn funds for membership fees, campouts and summer camps.

Santa's Secret Shop

Pack 102 hosts an opportunity for youth of the community to shop for gifts for their friends and family with the help of our "elves". Families enjoy entertainment and refreshments while the kids shop. This is a large event and we ask that all parents help with this important fundraiser.

Scout's Own Maple Syrup

Our maple syrup is produced from the sap collected from Beaumont Scout Reservation in Ashtabula County, Ohio.

Trail's End Popcorn

Unbelievable Butter, Caramel Corn and many more! The popcorn sold for fundraising is from Trail's End Popcorn.

Volunteer Leadership

Leadership Support

Every Cub Scout Pack needs volunteers to make the program happen. To be effective, these leaders need to be trained. This information explains what training is available for volunteers.

Online trainings are available at <http://my.scouting.org>.

Family Scouting

Parents, grandparents, and other family members can volunteer in the pack. There are many positions within the pack that you can volunteer for.

Youth Protection Training

All parents of the pack must take a course called "Youth Protection Training". This course is required for all Volunteers in a pack.

Leader Specific

Every scout deserves a trained leader. Cub scout leader training is a seamless program that helps leaders easily graduate through the courses, based on their role, quickly and with minimal duplication. Training is offered online or in person.

Basic Adult Leader Outdoor Orientation (B.A.L.O.O.)

This course is designed as an introduction to the outdoor program for those leaders who are interested in adding a camping component to their pack activities.

Wood Badge

An advanced training for adults designed to enhance leadership skills and develop more effective leaders. The training gives attendees a greater understanding of scouting aims and methods, while developing the true Scout Spirit.

Roundtable

A monthly leader meeting for adult volunteers. Roundtables provide leaders with program ideas and information on events and policies. It is a forum for sharing experiences and asking questions.

Cubcast

Monthly audio podcasts designed to help leaders learn more about topics of interest.

BOY SCOUTS OF AMERICA®

Scouting Safety

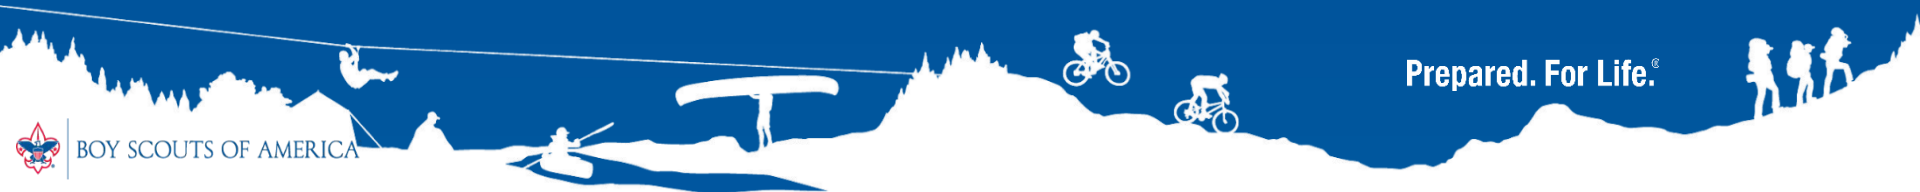

The Safety and protection of children is the most important priority of Pack 102 and the Boy Scouts of America.

The BSA has put together an extensive program, training, and resource tools to ensure that all Scouts remain safe. All registered BSA volunteers are required to complete Youth Protection Training. Parents are also encouraged to complete the training. To complete the training visit: <http://my.scouting.org>.

The BSA has established a multi-layered process of safeguards, including the following, all of which help to act as barriers to abuse:

- Ongoing mandatory youth-protection training for all volunteers, along with educational material for parents and Scouts that is featured in the front of each handbook and integrated into our programs.
- A formal leader selection process that includes criminal background checks and other screening efforts.
- A leadership policy that requires at least two youth-protection trained adults be present with youth at all times, and prohibits one-on-one situations where adults would have any interactions alone with children- either in person, online, or via text.
- A **24/7 Scouts First Helpline (1-844-SCOUTS1 or 1-844-762-8871)** and email contact address (scouts1st@scouting.org) to access counseling and help needed to report any suspected abuse or inappropriate behavior.
- The Volunteer Screening Database, a tool the Centers for Disease Control and Prevention (CDC) recommends for all youth-serving organizations, to prevent individuals that have been removed from Scouting from re-registering.
